PARISH WORKBOOK
CHRIST THE KING - UNIVERSITY CITY

ABOUT YOUR PARISH WORKBOOK

- This parish workbook is designed to equip pastors and key parish leaders with data about the Archdiocese of St. Louis, your local planning area, and your parish.
- The data contained in this parish workbook has been gathered over the past twenty years from your parish and other parishes across the Archdiocese.
- This parish workbook should be used as an internal planning tool to help shape your reflections on the current strengths and opportunities for future growth of ministry and evangelization in the future.
- To help ensure accuracy of information, parishes are requested to limit the distribution of the information contained in this parish workbook to the pastor, parish staff, key parish leaders, and key advisory bodies. Information summarizing this data will be made available in the fall 2022 for parishioners across the Archdiocese.

ALL THINGS NEW PRAYER

Heavenly Father, you sent your Son Jesus as the first Evangelizer of the Good News.

Send forth the power of the Holy Spirit upon the Church of St. Louis and grant us the gift of true discernment so we may do your will in all things.

Help us be totally free to follow wherever you lead us, totally generous to be good stewards of your many gifts, and totally passionate to suffer all in order to be more closely united to you.

Commissioned by your Son and empowered by the Spirit to “Go and Make Disciples of all Nations,” strengthen us by the power of your grace as we bring the Good News of Salvation into the lives of all those we touch, so that individual hearts and all of society may be converted to you and all things might be made new.

Inspired by the apostolic zeal of previous generations, as we begin the process of planning for the future, may our only desire be to do all things for the greater glory and honor of your name and for the good of your people in the Archdiocese of St. Louis.

Through Christ our Lord.
Amen.

GUIDING TEXTS

REV. 21:3-5

I heard a loud voice from the throne saying, “Behold, God’s dwelling is with the human race. He will dwell with them and they will be his people and God himself will always be with them.

He will wipe every tear from their eyes, and there shall be no more death or mourning, wailing or pain, the old order has passed away.”

The one who sat on the throne said, “Behold, I make all things new.” Then he said, “Write these words down, for they are trustworthy and true.”

GUIDING TEXTS EVANGELII NUNTIANDI (#18)

For the Church, evangelizing means bringing the Good News into all the strata of humanity, and through its influence transforming humanity from within and making it new: "Now I am making the whole of creation new."

But there is no new humanity if there are not first of all new persons renewed by Baptism and by lives lived according to the Gospel.

GUIDING TEXTS JOY OF THE GOSPEL (#27)

I dream of a “missionary option”, that is, a missionary impulse capable of transforming everything, so that the Church’s customs, ways of doing things, times and schedules, language and structures can be suitably channeled for the evangelization of today’s world rather than for her self-preservation.

STRATEGIC PASTORAL PLANNING INITIATIVE OUTCOME

Develop a plan that will make all things new enabling a vibrant Catholic presence in every square mile of the Archdiocese of St. Louis for the next century

A Renewed Church

Gospel renewal in our parishes, schools, and other ministry efforts

A Renewed Mission

Enhance our evangelization efforts to those on the margins of society

A Vibrant Future

Secure a vibrant future for the Church of St. Louis

STRATEGIC PASTORAL PLANNING INITIATIVE

GOALS

1. **Unceasing Prayer.** Engage all individual Catholics to reflect upon the need for Jesus Christ in their daily lives and call upon the Holy Spirit to guide our actions to fully share the love of the Lord in every encounter.
2. **Unifying Vision.** Articulate and implement a vision for evangelization that empowers and expects every baptized Catholic to spread the Gospel message and ensures a Catholic presence in every square mile of the Archdiocese of St. Louis through missionary outreach, parish and school footprint, and dynamic leadership.
3. **Intentional Stewardship.** Define and develop a plan that will appropriately reallocate resources throughout the Archdiocese of St. Louis that will be supported by structures at the diocesan, parish, school, and agency levels to ensure long-term viability and vibrancy of the Catholic presence.

OUR DIOCESE
ARCHDIOCESE OF ST. LOUIS

ABOUT OUR DIOCESE

- The Archdiocese of St. Louis is 178 parishes encompassing the City of St. Louis and 10 surrounding counties – a large and diverse territory: urban, suburban and rural.
- Our local church has been declining for several decades as older Catholics die and there are insufficient number of young Catholics to take their place.
- This is best exemplified by the significant decline in the number of births and baptisms in our diocese.
- As our Catholic population has moved from the city to the near suburbs and from the near suburbs to the farther out suburbs, this has resulted in too few priests in large parishes and too many priests in small parishes.
- Our diocesan priests are aging and number of priests to serve our Catholic population is declining.
- Over the past decade, Mass attendance has been on a steady decline. The long-term implications of COVID are unknown, but the rebound in Mass attendance from 2020 to 2021 still leaves us 25% below pre-COVID levels.

OUR TERRITORY FOR EVANGELIZATION

OUR CATHOLIC POPULATION CONTINUES TO DECLINE

- In 2021, the number of Catholics in the Archdiocese of St. Louis dipped below 500,000 for first time since the 1960s.
- We have more baptisms than funerals and we have nearly 1,000 enter the church each year. Our numbers should be growing by 2,000 per year.
- As many as 5,000 Catholics are “leaving” the Church – OR – not re-engaging in the Church after high school or college.

OUR CATHOLIC POPULATION IS AGING RESULTING IN FEWER YOUNG PEOPLE

The Landscape in the United States

- In the last decade, the percentage of the adult population claiming no religious affiliation (the “nones”) grew from 17% to 26%.
- In the last decade, the percentage of the millennial population claiming no religious affiliation grew from 27% to 40%.

The Landscape in the Archdiocese of St. Louis

Our baptism and marriage trends reflect the national landscape, as they are half of what they were 20 years ago.

WEEKLY SUNDAY MASS ATTENDANCE CONTINUES TO DECLINE

- Prior to the COVID-19 pandemic, Mass attendance was declining between 0.5% to 1% per year.
- Mass attendance hit a record low in October 2020 which is attributed to the COVID-19 pandemic.
- While Mass attendance in October 2021 showed a significant increase from 2020, it was still 25% lower than Mass attendance in October 2019.
- In 2019, only 33% of our pews were occupied during the typical weekend Mass. By 2021, only 25% of our pews were occupied during the typical weekend Mass.

FEWER BAPTISMS HAVE RESULTED IN FEWER CHILDREN IN CATHOLIC SCHOOLS AND PSR

- Though we educate a higher percentage of children in our Catholic schools than nearly any other diocese (37%), enrollment continues to decline.
- During the last decade, PSR enrollment has declined faster than day school enrollment.
- Our current model of Catholic elementary schools cannot continue.
 - Only 40-50% of our elementary school children live in the boundaries of their parish school.
 - The cost to educate our students continues to outpace tuition increases.
 - Parish investment in our schools continues to absorb an increasing percentage of parish funds available to support other parish ministries.

OUR PRIESTS ARE AGING

- 35% of our diocesan priests (74 priests) serving in parishes are 65 years of age or older.
- These 74 priests could retire in the next 10 years.
- Though priests' retirement age is 75, the average of retirement for our diocesan priests has been 71.
- By 2026, we will have fewer diocesan priests to serve in parishes than the number of parishes we have.
- Our largest parishes will still need to be served by 2-3 priests.

OUR PLANNING AREA
PLANNING AREA #7

OUR TERRITORY FOR EVANGELIZATION

ABOUT OUR PLANNING AREA

- The planning area is in St. Louis County. The geography of this area is defined by several Interstates (64, 70, 170 and 270), the Missouri River to the west and St. Louis City to the east.
- It is made up of parishes from the southern part of North County and northern part of West County deaneries. There are 10 territorial parishes, 1 personal parish and 4 elementary schools. Currently there are 10 diocesan priests assigned to this group.
- Clusters of church buildings exist in the University City and Overland Area with parishes within a few miles of each other. St. Roch and the Cathedral are also within a few miles of All Saints. Our Lady of Guadalupe is 5 to 7 miles from these parishes. The parishes in the western half of the planning area (Maryland Heights and Creve Coeur) are all within 3 to 5 miles of each other.

OUR PLANNING AREA HAS A VERY DIVERSE POPULATION

- Total population in the planning area in the 2020 census was up 1% from 2010.
- The percent of the population that is white has decreased from 71% in 2000 to 52% in 2020.
 - The black population has been stable
 - This area has one of the highest concentrations of Latinos in the Archdiocese – the planning area is only 7%, but there are areas that are 10-15%.
 - The area also has a large and growing Jewish, Indian (from India), Asian, and Middle Eastern population.
- 11% of the population is registered Catholic, which is lower than the Diocesan average of 18%.
- Median household income in the area is \$57,700, slightly below the archdiocesan average of \$60,700.

OUR PARISH
CHRIST THE KING - UNIVERSITY CITY

ABOUT OUR PARISH

- Christ the King parish was established in 1927 in what was then a growing area of University City. Never a large parish because the area was and is very diverse with a large Jewish population and many immigrant populations. At its peak, the parish had over 600 households. But neighborhood demographics changed and in 2001, St. Catherine of Siena and St. Patrick both closed and all of St. Catherine and much of St. Patrick was merged into Christ the King parish – but with few additional parishioners. The parish prides itself in its diversity, both parishioners and students in the parish school. The parish has remained stable at 432 households and 185 students in the parish school.
- The parish church was completed in 1941 and seats 400.

ABOUT OUR PARISH

- This parish area is demographically stable with an racially and ethnically diverse population.
- Parish and school is also diverse, with stable baptisms and school enrollment. Mass attendance pre-COVID was also stable.
- Parish investment in the parish school is within recommended guidelines and the parish has been building up reserves.

OUR PARISH AREA IS VERY DIVERSE AND STABLE WITH A POPULATION THAT HAS BEEN DECLINING

- This is a stable and diverse area with population that has declined about 5% each of the last 3 censuses.
 - Percent white has remained at about 38% for 3 decades
 - Population is aging as % over age 55 has increased from 23% to 32% since 2000.
 - 46% of households are renters
- Median household income is \$54,400 which is below the archdiocesan average of \$60,700.
- 8% of the resident population is Catholic which is well below the archdiocesan average of 18%.

WHERE OUR PARISHIONERS & CATHOLICS LIVE

- Red dots are parishioner households; blue dots are Catholic households that are registered at a different parish.
- There are many more Catholic households in the boundaries (655) than there are parishioner households (419).
- This means that more Catholic households leave the parish area to affiliate elsewhere than come into the parish from outside the boundaries.
- Parish has few parishioner households in the area of the former St. Patrick (west end of parish territory) and the former St. Catherine of Siena (northeast area of the parish territory). Some of these may be African-American Catholics who return to their “home” parish in North City.

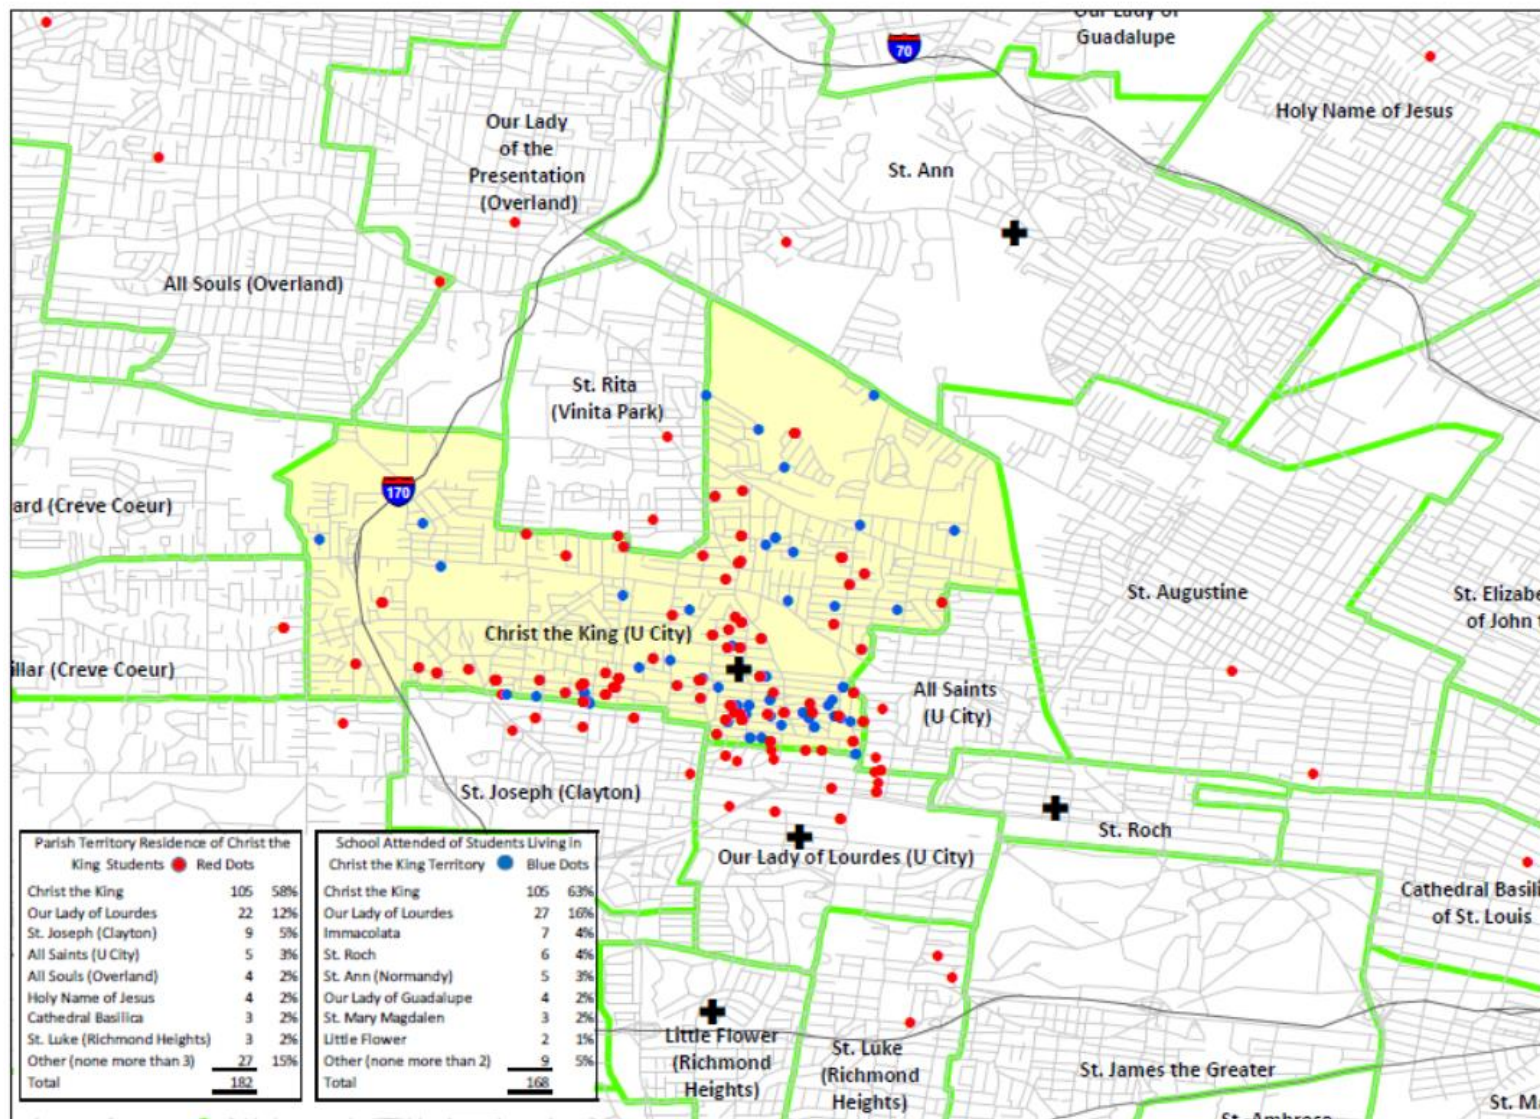

59 Percent of parishioner households live within the parish boundaries
38 Percent of Catholic households living within the parish boundaries are parishioners

WHERE CATHOLIC SCHOOL STUDENTS LIVE

- With 58% of Christ the King students in the boundaries and 63% of Catholic school students in the boundaries attending Christ the King school, it is interesting that a similar number of students from the area attend Lourdes (27) as there is Lourdes area students who come to Christ the King (22).

OUR PARISH SACRAMENTAL TRENDS

REGISTERED HOUSEHOLDS

- Parish membership has been stable over the past decade, though rising slightly in recent years.

OUR PARISH SACRAMENTAL TRENDS

MASS ATTENDANCE

- Pre-COVID Mass attendance was fairly stable.
- Mass attendance as percent of capacity was below the archdiocesan average of 33% in 2019 and 25% in 2021.
- Pre-COVID Mass attendance as percent of registered parishioners was 27-35%, just above the archdiocesan average of 27-29%.

OUR PARISH SACRAMENTAL TRENDS

BAPTISMS, FUNERALS, & K-8 RELIGIOUS FORMATION

- Parish maintains a relatively young demographic as baptisms exceed funerals.
- The parish school has supplemented the enrollment in the parish school with non-Catholic primarily minority students.
- 81% of day school graduates attend Catholic high schools

OUR PARISH FINANCIAL TRENDS

OFFERTORY CONTRIBUTIONS

- Offertory has grown throughout the decade.

OUR PARISH FINANCIAL TRENDS

INVESTMENT IN CATHOLIC SCHOOLS

- Parish investment in the school has varied on a year to year basis but has averaged 26% over the six years – within the recommended 20-30%.

OUR PARISH FINANCIAL TRENDS
